## Infância Feliz Foundation

"We aren't a burden,  
We are an investment,  
We are the citizens of the world"

**Adélcia Pires- The President**

Founded on May 31st 2002, It is a humanitarian organization with no profitable goals.

**INFÂNCIA FELIZ** is a sun of hope, solidarity and friendship, that gives a bright of happiness to the new generation, with works that provide a happy childhood.

### **Aims and activities**

The Foundation aims to promote children's rights throughout the Cape Verde Island, with special emphasis on assisting children and teenagers in situation of risk.

### **Goals of the Foundation Infância feliz**

- To contribute for the children's rights effectuation, as established in the Constitution of Cape Verde as well as in the international law, to which Cape Verde is bounded.
- To develop and maintain a wave of solidarity and predisposition for voluntary work benefiting children in Cape Verde or at the immigrant communities.
- To inform, spread, and propose solutions to identify problems, such as: pre-school education, occupation of free-time in sports, cultural and recreational activities, pre-professional training, civic education, environmental protection, and fight against poverty faced by many children.
- To propose training course and experience exchange.
- To create global development and child protection projects for children in risk situation "Each Child One Hope".
- To protect children that are victims of HIV.
- To sensitize the society and prevent child abuse.
- To encourage study and research regarding children's rights, including strategy development of possible solutions to put into practice and improve the quality of our intervention.
- To develop partnerships with local communities, non-governmental organizations, and public entities which share the same goals, to stimulate coordination between the organizations.
